BE-106 GROUP COUNSELING

The history of a redwood trees and how the trees life can be hidden on the outside yet completely revealed on the inside.

Presentation:

- Why do we do what we do
- Sin
- Infirmities
- Judging others
- Evidence of damaged emotions
- Biblical Principles for Healing

Closure: We all have damaged emotions and those emotions play a major role in our actions, reactions, attitudes, how we carry ourselves and in our Christian walk. Whether we already knew what issues we carry or if we just began to identify some of the issues tonight, God is our refuge and forgiveness is the key. We cannot and will not truly move forward until we completely learn to forgive and accept forgiveness.

CBT – CHRISTIAN BIBLE TRAINING CLASS

God declares plainly that every soul trusting in His Son is forgiven, saved, the possessor of eternal life, and secure forever. These assurances are taught in our Christian Bible Training Class (CBT). Those who want to grow in basic Christian principles will discover how to develop Christian character, have victory over sin, and grow toward maturity in their walk with Christ.
